NOTICE. WHEREAS, it appears from an examination of the papers of Mr. Ruxton, ex-captain of the Protector schooner Rob Roy, deceased on board the Caroline Hout, during the passage of said vessel from Sydney to Tahiti, as well as from other particular sources: 1st, That said captain had taken from the barque Julia Ann, wrecked at the Scilly Islands, the sum of 3104 sovereigns. 2d, That when the Rob Roy was wrecked on the Navigator Islands, said Ruxton declared that he had not saved more than 424 sovereigns out of 3104 of which, of which fact there is great doubt, since a great number of articles of smaller value were saved. 3d, That it is suspected that said Ruxton has embezzled, for his own profit, a part of the sum saved from the Julia Ann, wrecked a second time with the Rob Roy.—The "Commandant Particular," Commissioner of H. I. M. in the Society Islands, has ordered that an inquiry be made by the Justice of Peace, acting ad interim as Judge of Instruction, upon the facts above stated. From said inquiry, during which Mr. Charlton, second in command of the Rob Roy, did not appear, by reason of absence, neither the crew, and whose testimony was very important, it appears: That said Ruxton made, at Sydney, excessive expenses, out of proportion with his situation and with what he was known to possess when he left Tahiti. That, in answer to one of the witnesses instituting from him how he was able to spend so freely, he declared that he had received money as assistance from a Scotch society named Scotia. That, after the demise of said Ruxton, 69 sovereigns and four dollars, as well as some goods and jewelry, were found in his possession, the origin of which cannot be explained. In consequence, the Commissioner of H. I. M. has decided that the present abstract should be published in the official newspaper, so that all interested parties may present their claims upon the succession of said Ruxton, delivered into the hands of the British Consul, who will preserve it during one year from this date. PAPER, Dec. 19, 1856. 40-41

Dr. E. S. Cooper's Eye and Ear Infirmary. DR. COOPER was introduced to our acquaintance a few months ago, by letters from eminent men in the States of Ohio and Illinois, as a gentleman of high reputation and established surgical skill. Since his arrival he has opened an Eye, Ear and Orthopedic Infirmary in this city, where the patients can have comfortable rooms and the benefit of his skillful attention. The following complimentary notice of his departure from his home in Illinois, we find in the Peoria (Ill.) News: "We learn that our townsman and distinguished young Surgeon, Dr. E. S. Cooper, starts this morning to Europe, preparatory to settling in San Francisco, which he has decided to make his permanent home. We know of no one in his profession more worthy than Dr. Cooper of the high reputation he has established for surgical skill during his residence among us. For the last two years his Infirmary and Orthopedy have been crowded with patients from various parts of this and adjoining States, and the constant increase of their number is the best evidence of the Dr.'s success in his treatment of them. We congratulate our friends of Oregon and California upon the prospect of receiving a surgeon of such abilities, for when we say that his untiring energy and fixed determination to be second to none in his profession, together with his exclusive devotion to the attainment of a single object, are the certain preludes of future greatness if he lives, we only give utterance to the private opinion of nearly every thinking man in the community for however long he is continuing his career, his services will be calculated to secure feelings of personal interest in his favor, such concentration of effort and unceasing industry, always have been and always will be, attended with abundant success. He has our best wishes for his prosperity and happiness."—Alta California. [33-1315
